WHICH OF COURSE IS...

--OH, HELLO, FROSTOID-6.

WELL, ANYWAY, AS I WAS SAYING, F-6, THE WORLD IS TOO HOT ALL THE TIME!

WHO CAN EVEN STAND TO WEAR CLOTHES?

WHAT WE NEED IS TO GET THIS WORLD NICE AND CHILLY--

AND THEN-- THEN I CAN FINALLY WEAR A SWEATSHIRT!

WHA HA HA HA

HA HA HA

OH, RIGHT.

CLICK!

DING!

HA HA HA

THAT'S BETTER!
ONE MONTH LATER...

OH MY GOSH! ZIP...

WHO AM I?

GASP! AND WHY AM I ONLY WEARING...

...A FIG LEAF?!

I CAN EXPLAIN.

Huh? Who are you? I am Wingoid-2, your robot servant.

What? I have servants?

Of course, you are the great superhero. Golden Wing.

I'm wh... Whoa, what the heck?!

I have wings?

Master, why are you asking all of these obvious questions.

I think I've lost my memory!

GASP.

Master, Golden Wing. I believe you have been brainwashed.
But by whom? Who would do this to me?!

Master, you have many enemies.

This chart lists them from least to most deadly.

Dr. Peacock 5. Cuss Priest
Strawberry Jackson 4. El Bell
Time Folder 3. Mrs. Fixit
Penny Pincher 2. Soft Ball Steve
Tramp-O-Line Steve

W-Who's number one?

Our chief suspect is your brainwashing, sir.

You were best friends, as children—but he had some sort of body temperature regulation crisis.

His current whereabouts are unknown. But he has written a lot of angry notes to you.

He is called: the freezer!

Wow. How can I fight against that?

Master, Golden Wing. He is no match for you. Your powers are amazingly awesome.

Really? What are they?

Laser fingers. Exploding spit. P-Tu. Pwown

Flight. See thru eyes.

Lice.
I HAVE LICE?!

YES. BUT THEY OBEY YOUR COMMANDS.

BUT MY POWERS AREN'T THE ONLY REASON I FIGHT FOR JUSTICE, RIGHT?

YOU HAVE MANY FRIENDS.

ACE. REPORTRESS JULIA JENKINS.

ENTHUSIASTIC. TEENAGE. NEWS HOUND. 'CHUNKY.' CHESTERTON.

OTHER WORLDLY. SEDUCTRESS. XLORA. XLULULPHA.

ALTERNATE. UNIVERSE. VERSION OF. YOU. SILVER WING.

CAPED. SUPERHERO. ALLY. STRAY.CAT.

TAX. ACCOUNTANT. STEVE. OCHSENDORF.

ALL OF THESE FRIENDS ARE IN DANGER.

BUT WITH MY MEMORY GONE, THEY'RE DEFENSELESS!

BUT I DON'T KNOW WHERE ANYTHING IS! I DON'T KNOW ANY OF HIS TRICKS!

I'M DEFENSELESS!

YOU MUST SOLVE THE FREEZER'S RIDDLES.

NO!

ALL OF THE SECRETS ARE LOCKED IN YOUR BRAIN.

IF YOU GO NOW, YOU CAN START SOLVING HIS FIRST RIDDLE.

O-OKAY. IF YOU THINK SO...

HEY, YOU ARE A LEGENDARY SUPERHERO. I THINK YOU CAN...

--WING IT.

HEH. HEH.
Soon.

I never asked him why I’m just wearing a fig leaf!

Donk

Okay, no time to think about that now—I’ve got to solve this mystery!

HE HAS NO MEMORY, THEN?

AND HE'S ON THE WAY TO THE FIRST TARGET?

YES.

HE SHOULD BE REACHING IT AS WE SPEAK.
Julia -- I need help -- the freezer has erased my memory.

--And I think he's going to do something that will make everyone on Earth very uncomfortable!

I wouldn't have known where to find you -- if it weren't for the help of my Wingoid Robot.

Wait -- you never had robots working for you before.

Uh... really?

Yeah -- you always said live servants were more trustworthy.

That's right.

Chunky? You bet!

Only the freezer has the technology to employ robots!
GAASP! Then it must have been sent by...

WAIT.

He sent me to you, so he expected you to tell me this.

So?

So I think it's a trap!

GRAB ON!

THAT'S FINE. OUR RELATIONSHIP HAS ALWAYS BEEN ALL BUSINESS, ANYWAY.

GREAT. WHADDYA GOT?

MY SATELLITE INTEL SHOWS THAT AN UNKNOWN FORCE IS MAKING THE WORLD FIVE DEGREES COOLER THAN IT WAS. WE'RE GOING INTO AN ICE AGE!

THIS IS THE WORK OF THE FREEZER, NO DOUBT!
Stray Cat, can you take care of these two? I have to get to the freezer and stop him!

Er... look, I kind of have company right now...

Besides, Golden Wing--you don't even know where the freezer is!

Maybe I can help with that.

It's... It's Xlora Xlulophia!

Perhaps my trans-dimensional ray can be of some assistance.

Just... let me... brush it... against you, Golden Wing.

Uh...

H-hey!

H-hey!

Bon voyage, Golden Wing.

Zorp

I've honed it in on the signal that originated the global cooling.

Good luck.

IT'S ME, GOLDEN WING!
I'M LOST IN THIS DIMENSIONAL STORM!
