DR. CARVILLE?

>SIGH<

YES?

WE’RE NEARING THE SPOT.

NOW, WE’RE TOLD YOU’RE SOME KIND OF EXPERT ON THIS KIND OF EVENT...

...BUT SO FAR WEhaven’t SEEN YOU DO MUCH OF ANYTHING.

AND THIS?

YOU CALL THIS NOTHING?
Uh... All due respect, doctor. But you're just staring into the ocean.

Truly.

But the ocean tells me things.

Flummoxed, sir?

Flummoxing.

You mean confused?

I only wish I did, crewman.

I only wish...

Flummoxing...

Flummoxing is somewhat different.

Dr. Carville-- I-- let me fetch the ship surgeon!

Gasp!

You've got-- sea madness!!
I'm telling you, it's not sea madness.

Please, Dr. Carville. Try to relax.

It's odd, Commander.

Hmmm.

He truly believes he's telling the truth.

No matter what it is...

If he cannot perform the tests we need at Elephant Island...

Our plans will be in jeopardy.
IN MOMENTS...

COMMANDER, THE SPOT IS DEAD AHEAD.

BUT SIR... HE'S SICK. YOU KNOW WHAT SEA MADNESS DOES TO A MAN.

ALL TOO WELL, CREWMAN, BUT NEVER THE LESS...

"...HE MUST SEE THIS."

GET DOCTOR CARVILLE.
Tonk
Tonk

DR. CARVILLE?

Creak

Doctor?

Klik

Hmm.

Doctor?

K-Kik

Roxana to base--

My God.

Dr. Carville has escaped the lab.

What? How?

It appears, sir...

...That he used his belt.
BLAST! WE TOOK AWAY HIS IMPLEMENTS OF SELF DESTRUCTION, BUT NOT HIS BELT?

IT NEVER OCCURRED TO US, SIR.

>SIGH<

OKAY, WELL, CAN YOU FIND HIM?

YES, SIR! HE CAN'T HAVE GONE FAR.

OKAY. GO TO IT. BUT BE CAREFUL.

MEANWHILE...

THE SYMPTOMS OF SEAMADNESS ARE UNPREDICTABLE.

B-TANG
OOF!

Now listen carefully...

I need you here at exactly noon.

One minute late, and...

Well...

Don't bother.

So peaceful.

Not even a whisper.

What do you say to him, ocean?

What secrets do you give away?

What dark words...

...Come from the ocean’s mouth?
IS IT WHAT YOU TOLD ME...

WHEN YOU GAVE ME THE MADNESS?

'HUFF'

'HUFF'

'GASP'

'NOT SO FAST, DR. CARVILLE.'

'I KNOW WHAT YOU'RE HEADING FOR.'

'I KNOW WHAT YOU NEED.'
YOU DON'T KNOW A THING, CREWMAN.
I'M FLUMMOXED, DON'T YOU UNDERSTAND?
THERE'S NO DIFFERENCE!
NO--!
CLATTER
OOF!
I'M SORRY--
BUT I CAN'T LET YOU STOP ME!
I understand what sea madness does to a man.

It makes you think that things are going to happen.

Impossible things.

You have to accept that it's all just in your...

BEEP BEEP BEEP BEEP BEEP.

It's here.

No...
I KNEW YOU'D COME.
I guess I always thought we'd find it on Elephant Island.

Show me what you know.

Penguin...

It's lost.

We can guide you back to Elephant Island if you come with us.

I know you have been hunted, and that it's hard to trust us.

But look into our eyes--I've been flummoxed and he has sea madness.

Braak.
WHAT DOES "BRAAK" MEAN?

IT'S THE PENGUIN WORD FOR "FISH EYES."

IT CAN BE LOOSELY TRANSLATED AS "OKAY."

BUURKRK*

*LITERAL MEANING: MY NOSE IS IN YOUR BUTT.

FIGURATIVE MEANING: LEAD ON.
It's beautiful.

Yes it is.

Dr. Carville... I'm sorry I menaced you with that screwdriver.

Well...

...Listen.

Bnertk
Kerbk

He's bored.
He's reciting the alphabet so he doesn't get sea madness.

It's different from flummoxing --

If a penguin this size were flummoxed, we would all be dead.

If we can get him to Elephant Island before the voice of the ocean flummoxes him, we just may make it home.

The things you see aren't real.

Thank heaven for you, Dr. Carville.
Soon...

There it is.

Elephant Island.

It's smaller than I remember.

But let's give it a shot.

And...

So ah... whaddya think?
Broik

What's he saying?

Uhh...

It's kind of idiomatic... there's some slang...

I think it's swear words, actually.

I don't think he likes it.

What can we do?

I feel like we're out of options.

Yes...

Except...
HERE HE COMES....

POKE

DO YOU LIKE IT?
IT'S WHALE BLUBBER!

OH NO...!

I SEE IT, TOO...

BOIRNK

ROXANA, GET OUT OF THERE!!

RUN!

HE'S GETTING FLUMMOXED!!
CHUNK!

BNERP

PENGUIN! EAT THE BLUBBER!

BERR...
HE'S EATING IT...

SCHLEP SCHLURP

SCHLEP SCHLURP
DOCTOR! CHECK THE GAUGES!

SEE IF THE PENGUIN IS FLUMMOXING ANY MORE!

I CAN TELL YOU THAT.
